**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Diversity of options drives competition and keeps innovation high and prices low.

We have telephone service and internet service from one provider (not the original phone company), and TV service from a different provider.

The only investment in fiber in our neighborhood, in the heart of San Francisco, has come from a newer provider, not the folks with their name on the baseball stadium.

Broadband matters. Keep competition open.
